## Bed & Breakfast of Quality

A traditional warm welcome, and a relaxing & comfortable stay, in a 200 year old family home...

### Welcome to Smithfield of Ythanbank

In the heart of rural Aberdeenshire, Smithfield B&B is positioned on the edge of the small hamlet of Ythanbank, nestled in the valley of the River Ythan. Just 10 minutes from Ellon & Methlick, and 30 minutes from Aberdeen & Peterhead, Smithfield provides an ideal base from which to explore the treasures of the North East of Scotland.

Set in the peaceful, secluded countryside of the Ythan Valley, this quality B&B is the 200 year old home of the Thomas-Wright family, who offer a warm and friendly welcome.

Guests are welcome to relax in the south-facing sitting room, listen to music, and enjoy books from the wide and eclectic collection.

Smithfield's guest rooms comprise a spacious & elegantly furnished double room, with en-suite

shower room, on the ground floor; and a tastefully furnished, single room, with separate, private bathroom on the first floor. Both rooms have their own tea & coffee making facilities, and they enjoy views over the garden and the rolling countryside beyond.

Previous guests have complimented their hosts on the hospitable & friendly welcome, the tasty organic breakfasts tailored to individual tastes, and the tranquil location; all of which have led to very comfortable and relaxing visits.

### Where to Go and What to Do & See
